

Directions to Guardian Angel Church
320 Franklin Turnpike, Allendale
201/327-4359

These directions are based from the Garden State Plaza in Paramus. If you know how to get to the Plaza, it's only 10 miles north and should take about 20-25 minutes.

Proceed north on Route 17 for about 9 miles.

As you approach the exit, the off ramp BEFORE will say "Saddle River" and "Woodcliff Lake". There will also be a sign that says, "Allendale". That's the exit you want.

As you take the Allendale exit, you will loop back and under Route 17. You are now on East Allendale Road. Follow this road for about 1 mile.

As you approach the first traffic light, continue straight through on East Allendale Road.

After Rio Vista Drive, the road will make a bend to the left. You are now about one half mile from the church.

You'll pass Louise Court on your left.

The road makes a slight bend to the right. You'll pass Cottage Place on your right. Now start looking!!!

The street before the church is Powell Road, which will be on your left. The church will be about 500 feet ahead on your left.

You'll see a driveway on the left at the school. Turn left into the parking lot. The building in front of you is the school. Follow the driveway to the left of the school and go around to the back. You'll be in a large parking lot. Follow it **diagonally** to the opposite side where the single parking spaces are by the soccer field. There is a small road that runs next to the soccer field with a building on that road. **THAT IS NOT THE RECTORY.** There is a path that runs from the road to the rectory on a diagonal. That will take you to the rectory.

If you come up to the light at Franklin Turnpike, you went too far!!!

You can follow these directions in reverse to get back to Route 17 to go home.
